WHY IS THIS WORKSHOP IMPORTANT TO YOU?

“Intimate relationships provide opportunities for personal evolution, great joy, and a broader experience of how the Universe of Love truly works within us and our lives.”

- Sandy Brewer

OUR INTIMATE RELATIONSHIPS, BEGINNING WITH OURSELVES, INFORM OUR LIVES - THEY SHOULD BE THE BEST WE CAN MAKE THEM!

Join us for this uplifting, inter-active workshop with **Sandy Brewer**. You'll learn, you'll laugh, and you'll be empowered with pragmatic strategies for creating and expanding your relationships to their fullest potential. **Heart to Heart** on a daily basis! If you're in a relationship, invite your partner. If you're "still shopping" or still healing, bring yourself – and friends, too. This is a program you won't want to miss! Sandy teaches a transformational journey – a visionary's way that not only impacts our closest personal relationships, but also "pays it forward" into our world. It's fun, uplifting, and dynamically informative. Five essential keys you'll take away from this day include expanding your awareness of:

- **How to create a safe haven for learning and growing**
- **How to reframe past traumas through the eyes of love**
- **How to use the empowering magic of laughter**
- **How to move into a blameless, victimless existence**
- **How to continuously grow and strengthen your relationships and, concurrently, your self**

Sandy, a compelling speaker with over thirty years experience as a therapist, is the author of the best-selling memoir **PURSUIT OF LIGHT: An Extraordinary Journey**. Her life is a testimony to the power of all that we are and a stunning reflection of the human spirit. Her work has been featured on NBC's Nightly News with Tom Brokaw and a nationally televised documentary.
