--Reality is not carved in stone. It is based on a point of view--

Learn practical strategies for self-development and successful life-changing principles that can be catalysts to changing your mind – changing your reality. With compassion, wit that will make you laugh out loud, and wisdom from having “walked the walk,” Sandy Brewer, Ph.D. provides a dynamic working roadmap for creating changes that will expand your life and energize your heart wide open! Sandy is a compelling speaker, author, and humanitarian with over 30 years experience as a therapist. Her book, **PURSUIT OF LIGHT, An Extraordinary Journey** was awarded the USA Book News National Best Books 2008 Award--Biography. Her life is a stunning reflection of the depth of the human spirit and the presence of the Divine within. Her work has been featured on NBC's Nightly News with Tom Brokaw and a nationally televised documentary.

Sandy will also be speaking at the Sunday Services at 9:00 and 11:00 AM. Her topic is “Through the Eyes of Love.”
