Session 2: 7:00 p.m. – 9:00 p.m. Community- Open to the public

Experience the Powerful Voice of Sandy Brewer, Ph.D., in a Dynamic, Interactive Seminar...

A recent cancer survivor with firsthand experience as a severely abused child, Sandy draws from her own inspirational story of choosing expansion over limitation. She presents simple, empowering strategies for self development. With laugh out loud humor, compassionate grace, and wisdom from having “walked the walk,” she will share these proven life enhancing principles—ones that have been catalysts for change in the lives of so many. This dynamic evening will include:

- How encountering the worst can bring out the best
- Mastering fear: how to quit giving your lunch money to the troll under the bridge
- Pulling the plug on the self-limiting voices in your head
- Lessons in compassion – Steps in creating new possibilities

Sandy is a compelling speaker, author, and therapist for over 30 years. Her bestselling book, PURSUIT OF LIGHT, An Extraordinary Journey has received 3 First Place literary awards. Her life is a stunning reflection of the triumph of the human spirit. Her work has been featured on NBC's Nightly News with Tom Brokaw and a nationally televised documentary.
